# THE KITCHISSIPPI ELECTION DEBATE WORKING GROUP

*Needs you!*

The K9 (collective of all 9 Kitchissippi community associations) is looking for volunteers to join the Kitchissippi Election Debate Working Group. Local community volunteers have been organizing the Kitchissippi debates for municipal, provincial and federal elections for the past 15 years. They are looking to expand the team.

**We need new folks like you to join this working group in order for election debates in Kitchissippi to continue!**

There are very small tasks and also much bigger roles - you can choose how you contribute to the team. It takes about six weeks to organize a debate so the commitment is in short windows when elections are called. We are looking to form a team this spring so we can mentor new team members and have a healthy succession plan.

## **What do you need to volunteer?**

Not be affiliated with any political parties or campaigns AND be a team player!

## **What tasks need to be done?**

- Event planning/volunteer coordination
- Confirming a host/moderator
- Confirming candidate availability
- Sound tech & live streaming
- Help with event set up/tear down
- Question development
- Time keeping
- Sourcing a venue
- Promotion/communication
- Volunteer coordination

Are you interested in helping out (whether big or small) in this important part of the democratic process? If you are interested or would like further information, please email [newsletter@hamptoniona.ca](mailto:newsletter@hamptoniona.ca)

*Thank you from K9: Your local community associations!*
